are updated as new dates and material become available.

New, in time for Christmas, was <Young Church>; a page especially for children and young people, designed with 'Things to download and do', linked to Sunday Club and Clent School work and activities.

This is accessed (at present) from the <Church> page - and carries the "Safe Site" animated logo_

Visit the site and watch what happens !

The <Links> page continues to take you to a variety of useful and interesting C.of.E. sites: as well as the Max McLean 'Daily Devotional Reading' - audio scripture download - and BibleGateway.com with 20 English language versions of the bible available online.
